

Programme Schedule

(revised on 3 December 2006)

The third International Work Shop for GODAR-WESTPAC

Japan Oceanographic Data Centre, Tokyo, Japan

December 4-6, 2006

● 1st Day: December 4, 2006

09:30 Open the registration desk

10:00 Opening

Opening Remark

by Mr. Kunikazu Nishizawa, Director of Japan Oceanographic Data Center

Address

*by Mr. Masashi Sue, Director General, Hydrographic and Oceanographic Department,
Japan Coast Guard*

*by Dr. Hyung-Tack Huh, Chair of WESTPAC, IOC/UNESCO Regional Secretariat for
WESTPAC*

10:07 Information from Local Secretariat

10:10 Keynote Lectures/Presentations

10:10-10:35 IODE: perspectives for the next decade

by Mr. Peter Pissierssens, Head of Ocean Services, IOC/UNESCO

10:35-11:00 Results of the IOC Global Oceanographic and Data Archaeology
and Rescue Project, 1993-2006

*by Mr. Sydney Levitus, Director of WDC for Oceanography, Silver
Spring*

11:00-11:15 Coffee break

11:15-11:40 World Ocean Database 2005

*by Mr. Sydney Levitus, Director of WDC for Oceanography, Silver
Spring*

11:40-12:05 Reflections on, lessons learnt and the next steps for marine data
management

by Dr. Lesley Rickards, Chair of IODE

12:05-12:30 Application of marine-GIS for visualization of the long-term
fisheries and oceanographic dataset HUFO-DAT

*by Prof. Sei-ichi Saitoh, Graduate School of Fisheries Sciences, Hokkaido
University*

12:30 Group Photo

12:45 Lunch

The light meal will be provided by Japanese Organizer with free.

14:00 National Reports

14:00-14:15 Oceanographic Data Management Activities in Australia

by Mr. Gregory Reed, AODCJF (Australia)

14:15-14:30 Situation of Oceanographic Research Activities and Data
Management Activities in China

by Mr. Zhang Dongsheng, NMDIS (China)

14:30-14:45 National Report of JODC's activity about GODAR-WESTPAC

by Mr. Kazuyoshi Oichi, JODC (Japan)

- 14:45-15:00 Serial Oceanographic Investigation and Data Management/Rescue Activity in Korea
by Dr. In-Seong HAN, NFRDI (Rep. of Korea)
- 15:00-15:15 National oceanographic data center of the Philippines
by Ms. Angelita G. Armentia, NMRIA (Philippines)
- 15:15-15:30 Russia: Country report on the current oceanographic data management activities
by Dr. Igor Rostov, POI FEBRAS (Russian Federation)
- 15:30 Coffee break
- 16:00 National Reports (continue)
- 16:00-16:15 Title is undecided on. *by participants from United Kingdom*
- 16:15-16:25 Report I: U.S. National Report
by Mr. Sydney Levitus, Director of WDC for Oceanography, Silver Spring (United States of America)
- 16:25-16:40 Report II: Warming of the World Ocean, 1955-2006
by Mr. Sydney Levitus, Director of WDC for Oceanography, Silver Spring (United States of America)
- 16:40-16:55 Some difficult problems encountered in collecting the data for constructing the atlas on characteristics of natural conditions and environment in the East Vietnam Sea and solutions to these problems in accordance with the principles of GODAR.
by Dr. Tran Tuan Dung, Institute of Marine Geology and Geophysics, Vietnamese Academy of Science and Technology (Vietnamese)
- 16:55-17:00 Westpac National Report for France
by Dr. Catherine Maillard and Dr. Loic Petit de la Villéon (Introduce document by Chairperson as on behalf of France)
- 17:00 Reports by Related International Organizations
- 17:00-17:15 SEAFDEC Oceanographic Surveyed in the Southeast Asian Region.
by Ms. Siriporn Pangsorn, SEAFDEC
- 17:15-17:30 Introduction of NOWPAP DINRAC
by Ms. An Tong, NOWPAP/DINRAC
- 17:30 Closing of 1st day
- 19:00 Welcome Reception
hosted by Mr. Masashi Sue, Director General (Chief Hydrographer), Hydrographic and Oceanographic Department, JCG
- 20:30 Closing of the reception

● **2nd Day: December 5, 2006**

- 09:45 Reports by Research Institutes in the Region
- 09:45-10:00 Digitization of historical sea level data in JMA
by Mr. Osamu Yamamoto, Japan Meteorological Agency
- 10:00-10:15 Title is undecided on. *by participants from Malaysia*
- 10:15-10:30 Report on the oceanographic research of Russian institutes in the WESTPAC region for last years
by Dr. Igor Rostov, POI FEBRAS (Russian Federation)
- 10:30 Coffee break

- 10:45 Discussion
- Discussion on the result of project as the final year of project
 - Discussion on activity of oceanographic data archaeology and rescue after GODAR-WESTPAC
 - Other
- 12:15 Lunch
- The light meal will be provided by Japanese Organizer with free.*
- 14:00 Symposium session:
Preparatory meeting towards the development of an ODINWESTPAC
- 14:00-14:10 Opening of the Meeting
- Opening of the meeting
by Mr. Kunikazu Nishizawa, Director of JODC (as Local Host)
- Welcome speeches
by Mr. Kunikazu Nishizawa, Director of JODC (as Local Host)
by Mr. Peter Pissierssens (as IOC/IODE)
- Greeting (congratulatory address)
by Dr. Hyung-Tack Huh, Chair of WESTPAC
- 14:10-14:25 Administrative arrangement
- Designation of a meeting Chairperson
by Mr. Wenxi Zhu (as IOC/WESTPAC Secretariat)
- Adoption of the agenda
by Mr. Wenxi Zhu (as IOC/WESTPAC Secretariat)
- Timetable and Documentation
by Mr. Wenxi Zhu (as IOC/WESTPAC Secretariat)
- 14:25-15:05 Background of the ODIN-WESTPAC Proposal
- Introduction on ODINs
by Mr. Peter Pissierssens (as IOC/IODE)
- Background information on the ODIN-WESTPAC proposal
by Mr. Peter Pissierssens (as IOC/IODE)
- 15:05-15:35 Objectives of ODIN-WESTPAC
- Overview of NODCs and Marine Libraries in the WESTPAC region
- ◆ Australia
 - ◆ China
 - ◆ Japan
by Mr. Kunikazu Nishizawa, JODC
 - ◆ Republic of Korea
 - ◆ Viet Nam
- Overview of IOC programme activities in the WESTPAC region
- ◆ NEAR-GOOS
 - ◆ SEAFEDEC
 - ◆ NOWPAP
by Mr. Norio Baba, NOWPAP/RCU Toyama Office
- 15:35-16:05 Coffee break
- 16:05-16:45 Objectives of ODIN-WESTPAC (continue)
- Capacity building requirements
- ODIN-WESTPAC and the former RNODC for WESTPAC

16:45-17:15 Proposed work plan of the ODIN-WESTPAC Pilot Phase
17:15-17:45 Coffee break
17:45-18:15 Project Management
18:15-18:30 Any other business
18:30 Closing of Prep-ODINWESTPAC

by Mr. Kunikazu Nishizawa, Director of JODC (as Local Host)

18:30 Closing of 2nd day

● **3rd Day: December 6, 2006**

09:45 Discussion (continue from 2nd day)

10:40 Coffee break

11:10 Discussion (continue)

12:20 Lunch

The light meal will be provided by Japanese Organizer with free.

13:30 Wrap Up

14:00 Closure

Lasted Update: December 3, 2006
